## \*\*\*REMINDER TO ALL PILOTS\*\*\*

**ATTENTION ALL PILOTS VISTING CROYDON (PS01) BY AIR** – In the interest of "FLYING NEIGHBORLY," we have established a "NOISE SENSITIVE" approach and departure to the heliport. **SPECIAL NOTE TO PILOTS: Because the trees along the southern edge of the take-off and landing area have been removed by PECO, they have now installed balls on the wires for better visibility of those wires. PLEASE NOTE THE BALLS ON APPROACH AND DEPARTURE.**

Your cooperation in respecting the "NO FLY ZONES" will be appreciated by your colleagues at STERLING as well as our neighbors and friends. If you have any questions regarding this procedure, please do not hesitate to contact Phil Bidden at STERLING or visit our web site at [www.sterlinghelicopter.com](http://www.sterlinghelicopter.com) and click on the PILOT icon.

***WE SINCERELY APPRECIATE YOUR COOPERATION AND SO DO OUR NEIGHORS!***
