

Job Title: QA Inspector – North Perry Airport, FL
Department: Maintenance
Reports To: Chief Inspector
Compensation: \$45.00+ per hour depending on experience, certifications, and qualifications.
Eligible for company benefits and other compensation in accordance with company policy.

Job Summary:

The Quality Inspector is responsible for performing inspections on various helicopters as required, operating in compliance with the FAA, Sterling’s Repair Station Manual, and company safety practices.

Duties/Responsibilities:

- Perform inspections of helicopters or helicopter parts during modification, installation, or overhaul, to determine airworthiness, safety, and conformance to approved data and company standards and requirements
- Review work order squawk resolutions for compliance with FAA regulations and established company policies
- Ensure continuity of inspection, assuring completion of required inspection when personnel, shift or assignment changes occur
- Inspection of incoming and outgoing parts for condition and serviceability
- Ensure that work order squawk resolutions are adequate for the work accomplished and that preliminary inspections are accomplished on applicable articles
- Perform logbook research and entries
- Perform in-process inspections
- Final inspection and approval to return an article or aircraft to service
- Perform other duties as assigned

Required Skills and Qualifications:

- A&P License required, IA preferred
- Knowledge of FAA 14 CFR, Part 145, Part 135 and Part 91 regulations. Knowledge of inspection methods, techniques, practices, aides, equipment, and tools used to determine airworthiness of the article on which maintenance, preventive maintenance, or alterations are being performed
- Clear and professional communication skills
- Must have computer skills and be proficient with MS Office
- Must be able to understand, read, write, and speak English
- Have at least 18 months of practical experience in helicopter maintenance with the types of articles for which inspections are required
- Must be able to reliably commute to North Perry Airport, FL

Application Process:

Interested candidates are encouraged to apply by submitting their resume and any relevant certifications to careers@sterlinghelicopter.com with the subject line "QA Inspector – North Perry Airport." Qualified applicants will be contacted to discuss their experience and schedule an interview.

We thank all applicants for their interest; however, only those selected for further consideration will be contacted.
